

Celebrating Student Success

Rewards Process

2017-18

This rewards process clearly communicates and maps out different ways we celebrate and reward student success. This makes it clear to students, staff and parents on what students are aiming for and how and why they will be rewarded. The focus is on attitudes to learning and students making above expected progress.

Half Term Celebrations

Pyramid System for Positive Referrals:

Students enter a raffle; the number of entries is relative to the student's number of positive points. 5 are drawn out and receive £10 voucher + a queue jump
