

Accessing The School Network From Home

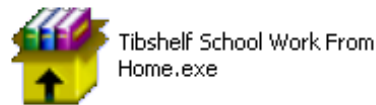

IMPORTANT Please note that Windows XP Users may now need to download the following update; [Download Term Services Client 6.0 for Win XP \(KB925876\)](#) before continuing to step one.

If you are running Vista or Windows 7, please disregard the link above and follow the instructions from step one below.

Users of Macintosh or Linux please contact [ICT Support](#) for instructions

Instructions

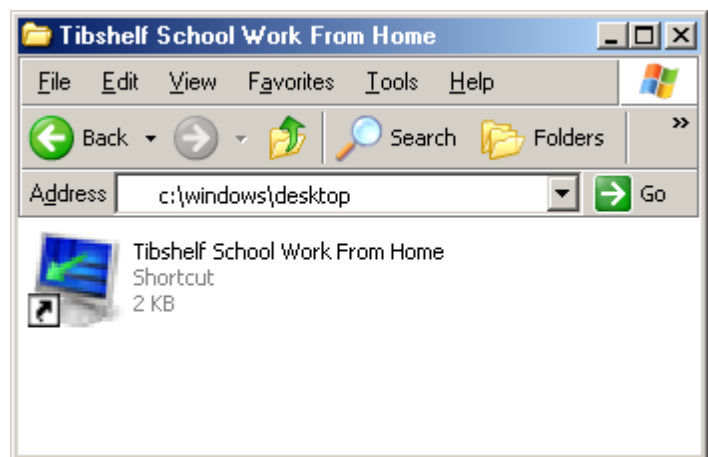

Step 1: Click [here](#), and save the file to your desktop

Step 2: Double click program you have downloaded, it will create a folder on the desktop called Tibshelf School Work From Home

Step 3: Run the program inside this folder

Step 4: Log-in with the same details you use while in school
